## Overview

Novel Management is a West-Australian owned **Defence consulting** firm. We specialise in Grant applications and Defence market access.

We support companies entering the market or maturing their capability, Primes developing their supply chains and Government agencies requiring industry engagement.

Understanding the defence market can be complex, allow us to simplify the industry and accelerate your preparedness.

## Capabilities

- Grant writing
- Defence market access planning
- Facilitating connections and industry engagement
- Project strategic partnerships, MOUs and political impact guidance
- Defence Industry Security Program (DISP) membership partners
- Advisory Board
